

When they had all had enough to eat, he said to his disciples, "Gather the pieces that are left over. Let nothing be wasted." John 6:12

What is certain in life besides death and taxes?

"I am the Alpha and the Omega," says the Lord God, "who is, and who was, and who is to come, the Almighty." God is the great "I am" and it is certain that He never

changes. Another certainty is that life always changes. Every day we receive new blessings.

JOMM is experiencing many changes. Each day God brings us something new and exciting. We thank you for your prayers and your support in helping us as we continue to develop partnerships to share the gifts of food and resources God have given to us.

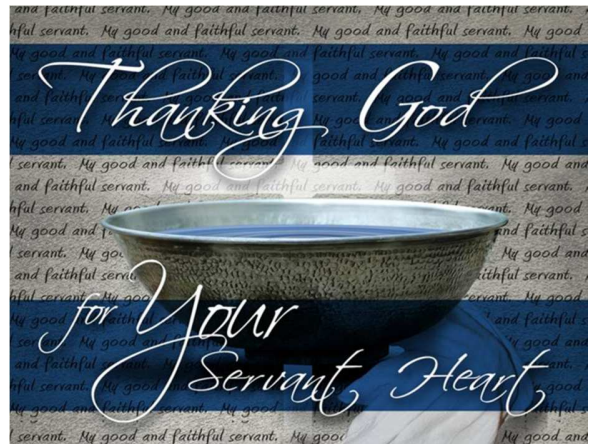

As we expand we are making some changes to become more efficient. The key to McDonald's success is having systems in place that are consistently followed. We are developing systems to accommodate the growth we are experiencing. Having a Newsletter to facilitate communication is one of the new things we are doing. We want to keep you informed of the good things that are happening through your efforts and also inform you of needs that may arise. We are currently developing a system for scheduling volunteers, keeping track of hours, and recruiting new volunteers.

Many of you have been with this ministry for a long time. I am so impressed with the dedication and diligent service shown by many wonderful volunteers. We want to express our gratitude to you by having a Volunteer Appreciation Breakfast on October 1, 2015. (See details below). We want to do all we can to make your service a blessing to you since you are a blessing to so many.

See you on October 1!

Feel free to contact me with any ideas, suggestions or questions you have,

Blessings Always,
Ray Lueck
